

Venta Care Centre

January 10, 2018

Greetings;

Where does the time go? Our last accreditation was in 2014 and here we are 2018 and accreditation is just around the corner.

Accreditation starts on February 11, 2018, we are excited to welcome in Alice Kennedy and Janice E. Taylor as the surveyors for this accreditation cycle. Alice and Janice will be with us until February 14th 2018.

These days will be action packed with off and on site activities. Venta Care Centre is eager to show case how we have grown as an organization.
